## Patient Information Consent: HIPAA Release

I have read and fully understand Rehab United's Notice of Information Practices. I understand that Rehab United may use or disclose my personal health information for the purposes of carrying out treatment, obtaining payment, evaluating the quality of services provided, and any administrative operations related to treatment or payment. I understand that I have the right to restrict how my personal health information is used and disclosed for treatment, payment, and administrative operations if I notify the practice. I also understand that Rehab United will consider requests for restriction on a case-by-case basis, but does not have to agree to requests for restrictions. I hereby consent to the use and disclosure of my personal health information for purposes as noted in Rehab United's Notice of Information practices. I understand that I retain the right to revoke this consent by notifying the practice in writing at any time.

## Patient Responsibilities

- 1. Check in/Sign-in for each visit:** Please check in with the front office at every visit. You will need to sign in with the appropriate date and time.
- 2. Payment is due at the time of service:** Deductibles, co-insurances, co-payments & wellness payments are due at the time of your appointment. RU urges you to place a credit card on file for automatic payments at the time of your appointment.
- 3. Update your information with the front office:** Please inform the front office of any changes to your insurance and/or personal information. This is imperative to ensure all claims are processed correctly and in a timely manner.
- 4. Scheduling appointments:** Appointment availability is on a first-come, first-served basis. Please work with the front office to schedule your future appointments as far in advance as possible to ensure you secure your preferred times. \*Please note that the front office does not schedule visits without the patient or guardian requesting an appointment slot. Appointments are not reserved for "normal" schedules.
- 5. Personal belongings:** RU provides small storage space (with no locking feature) for your car keys and smaller items, but does not have the space for other personal belongings. You assume the liability for the safety of your personal items.
- 6. Check out with the front office staff after each visit:** Please check out with the front office after every visit. The front office will confirm your next appointment and assist in scheduling future appointments at this time.

## Cancellation & No-Show Policy

We are sincerely dedicated in assisting you in meeting your therapy goals. In order to do this, it is important that you attend all scheduled therapy appointments. Consistent attendance allows you and your therapist to progress your treatment program, which will result in quicker recovery and better outcomes.

If it is necessary to cancel or re-schedule your appointment, we require that you notify us at least 24 hours in advance. Appointments are in high demand, which is why Rehab United follows a strict cancellation policy, and your early cancellation will allow the time to be reallocated to another patient who will benefit from the treatment.

When a patient is late the entire schedule is affected. Therefore, we politely ask that our patients be prompt in being present at the time of their scheduled appointments. **We reserve the right to reappoint patients arriving 15 minutes after their scheduled appointment time.**

**Late Cancellations:** A cancellation is considered to be late when the appointment is cancelled without a 24-hour advance notice. A **Cancellation fee of \$50.00** will be charged to the patient.

- Cancellation Fee may be waived if the canceled appointment is rescheduled and attended within the same week.
  - If the Late Cancellation is scheduled for a Friday, there is no option to reschedule and have the fee waived.

**No Show Policy:** A "no-show", is a patient who misses or doesn't show for an appointment without cancelling it. A **No-Show Fee of \$60.00** will be charged to the patient. **These fees are not covered by your insurance.**

*Helpful Hints to Avoid Fees:*

- Ask the front office to activate either an email or text appointment reminder notification.
- Check out with the front desk after every visit to confirm your next appointment.
- Request a printout of your scheduled visits from the front desk and retain this for your reference. This print out is what Rehab United has in their schedule and is the system to which we follow for all appointment times.
- If you need to cancel, call Rehab United and speak to a front office representative or leave a message if after hours.
- The front office is responsible for all therapists' schedules, so always inform the front office of cancellations or needs to re-schedule. **\*\*Telling/calling a therapist and/or aide is not acceptable notice.**

**I have read and understand the above policies.** By signing below, the patient and/or guardian hereby acknowledge and certify that he/she has read and understand the information outlined above.

### Credit Card Authorization (Optional)

**Deductibles, Copays, and Co-Insurances are due IN FULL at the time of service.** At the beginning of treatment, we request you secure your account with a credit card. This card will only be charged with your permission (indicated by your selection below). We offer two options for charging the patient responsibility relating to your treatment. As a courtesy to you, we can automatically charge your card the estimated patient responsibility for each visit based on the quoted benefits from your insurance company throughout your treatment. Once your claims have been processed, the Explanation of Benefits from your insurance company will determine the patient responsibility and any necessary changes to the amount due will be made. Additionally, we will use the credit card to process any cancellation or no-show fees that you have incurred (FSA/HSA Cards will not be charged cancellation and/or no-show fees). A receipt will be provided for any charges processed by Rehab United, at your request. If you prefer to bring in payment at every appointment, we will use your credit card on a monthly basis to charge any remaining fees owed once claims have processed by your insurance company and/or any missed payments for services already provided.
